60 Visions: A Book of Prophecy Bob Marley

Bob Marley is a universal spirit moved by the hand of Jah. But he is also a farmer, a father, a teacher, a player, a wanderer, a musician forever fighting in Jah's army...

"You can just imagine if everyone on earth did have one day where we just put all our minds together regardless of where the force is, as long as it's positive, and just meditate for even a hour that day."

This precious book, fully illustrated with 25 archival color and black and white photographs of Bob shows how he draws inspiration from his daily life. Here are sixty ways we can heal the world while healing ourselves. Here are sixty visions that cover the world like the waters cover the sea. Here are sixty seeds to plant, one at a time, in the human heart. A must have for Marley collections and a welcome companion for all who value the wisdom of a true prophet of peace.
