For Kip Barrett, a secret commission from her boss's boss's boss, CEO Tamara Sterling, shows that the respect she's earned for her integrity and intelligence is justified. All she has to do is what she's done successfully before: Follow the money, find the high-tech thief, and document it so the culprit gets the justice they deserve.

This case is different, though. This time the embezzler is someone inside Sterling Proof, the financial industry's most-trusted investigation firm. That one of their own could turn out to be a thief is bad enough, but that it wasn't detected and dealt with immediately is even worse. The scandal would destroy Sterling Proof's unparalleled and unblemished reputation for ethical conduct and security. Kip has to find out how and who, and no one but Tamara can know what she's doing.

As Kip gets closer to discovering the embezzler, her clandestine meetings with Tamara grow more frequent. To her consternation, her admiration for Sterling's work is compounded by an undeniable physical chemistry. But there's a rule about fraternization, and Sterling investigators never break the rules. She needs to wrap up her findings before anyone—including her emerging prime suspect Tamara Sterling—realizes Kip is not above temptation.

This sizzling romance is the latest page-turning story from Golden Crown and Lambda Literary award-winning author Karin Kallmaker.
