Collection and Recollections: Economic Papers and their Provenance

I. M. D. Little

Collection and Recollections: Economic Papers and their Provenance I. M. D. Little

Ian Little has been one of the most significant British contributors to economics in the post-war era. His contributions to Welfare Economics and Development Economics have been highly influential and well-regarded throughout the world. This book is a fascinating insight into the personal and intellectual development of Professor Little, containing both the most important articles of his working life and autobiographical chapters.
