For courses in Oceanography.

This package includes MasteringOceanography™

Oceanography: The Geological, Chemical, Biological, and Physical

Essentials of Oceanography guides readers through the complexities of what lies beneath the ocean. With an interdisciplinary approach and accessible writing style, the text is engaging for all readers. The **Twelfth Edition** discusses the ocean's biological, chemical, geological, and physical components for an in-depth understanding of this vast and elaborate topic. Complex concepts are made engaging with extensively revised art and interactive study aids that keep readers interested and excited about the material.

Personalize learning with MasteringOceanography

MasteringOceanography from Pearson is the leading online homework, tutorial, and assessment system, designed to improve results by engaging readers before, during, and after class with powerful content. Instructors ensure readers arrive ready to learn by assigning educationally effective content before class, and encourage critical thinking and retention with in-class resources such as Learning Catalytics. Readers can further master concepts after class through traditional and adaptive homework assignments that provide hints and answer-specific feedback. The Mastering gradebook records scores for all automatically graded assignments in one place, while diagnostic tools give instructors access to rich data to assess reader understanding and misconceptions.

Mastering brings learning full circle by continuously adapting to each reader and making learning more personal than ever—before, during, and after class.
