## Family Pictures Jane Green

*New York Times* bestseller Jane Green delivers a riveting novel about two women whose lives intersect when a shocking secret is revealed

From the author of *Another Piece of My Heart* comes *Family Pictures*, the gripping story of two women who live on opposite coasts but whose lives are connected in ways they never could have imagined. Both women are wives and mothers to children who are about to leave the nest for school. They're both in their forties and have husbands who travel more than either of them would like. They are both feeling an emptiness neither had expected. But when a shocking secret is exposed, their lives are blown apart. As dark truths from the past reveal themselves, will these two women be able to learn to forgive, for the sake of their children, if not for themselves?
