Fathers and Sons-Sports and Life Keith D Guernsey

"Fathers & Sons..." is a story of an uncommon love and devotion between fathers and sons. It is a story of my recovery from two rounds of life-threatening brain surgeries to play on three championship softball teams in two states. It includes a chapter on the most controversial sports topic of our time; Deflategate.

"Fathers..." is also a sequel to "Confessions of a Beantown Sports Junkie."
