You can't choose who you love.

You can't fix fate.

And that's the problem...

Gwenna White's new neighbor is...distracting. He's a beautiful, tattooed, motorcycle-driving enigma. One she can't allow herself to think about. Since the accident that ruined her face and stole her career, Gwen, a former model, lives under the radar, seldom leaving the bear sanctuary she runs in the Tennessee mountains. She's not reclusive, but that doesn't mean she's looking for a lover. Definitely not someone who looks like *that*.

*

Barrett Drake could use a friend: a tall order, since most of his are dead. His damaged hand may be the reason he's out of special ops, but it's not his only wound. Not by a long shot. All that's left between Bear and a new life is one last job. If he can hold on, get it done... He won't be here that long. Just long enough to ruin Gwen's life and make a speedy exit. That's the plan.

But things don't always go as planned.

You can't choose who you love.

You can't fix fate.

And that's the problem...
