A MAN'S LIFE TURNS TO TRACKING...

In a thrilling manhunt, a grieving father is tracking any clues, any traces of his kidnapped child while forming an international organization that tracks other missing children.

The **suspense** never ceases as the flesh trade, divorce disputes, and child slavery are all being probed by Sam Baker and his team across the globe. The **mystery** builds as deep in the Sinai Desert, amongst immortal granite cliffs and The Gulf's breathtaking shades, there lays Sam's greatest fears. Hate, corruption, and greed threaten his organization and he turns to a secret outfit for help. Then a horrible scheme to use children to spread terror is revealed and the **tracks** lead to an inevitably lethal confrontation with a merciless terrorist group.

This is a tale of modern terrorism, international intrigue, diplomacy, and sacrifice, all in hopes of finding one small boy.

Will Sam find his son?

"TRACKS", Niv Kaplan's second novel, is a riveting adventure of people who risk everything to track and liberate missing children.

From reader reviews:

Lillian Chatman:

Why don't make it to become your habit? Right now, try to ready your time to do the important act, like looking for your favorite guide and reading a book. Beside you can solve your problem; you can add your knowledge by the guide entitled Tracks. Try to make book Tracks as your friend. It means that it can to become your friend when you feel alone and beside those of course make you smarter than before. Yeah, it is very fortunate for yourself. The book makes you far more confidence because you can know every little thing by the book. So , we need to make new experience and knowledge with this book.

Matthew Blackburn:

What do you regarding book? It is not important to you? Or just adding material when you require something to explain what you problem? How about your time? Or are you busy man or woman? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Every person has many questions above. They should answer that question because just their can do which. It said that about e-book. Book is familiar on every person. Yes, it is correct. Because start from on kindergarten until university need this kind of Tracks to read.

Melissa Jackson:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge even the information inside the book in which improve your knowledge and information. The info you get based on what kind of publication you read, if you want attract knowledge just go with knowledge books but if you want truly feel happy read one having theme for entertaining such as comic or novel. The Tracks is kind of reserve which is giving the reader capricious experience.

Peggy Mitchum:

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's heart or real their passion. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Tracks can make you really feel more interested to read.
