## Una nueva arca de Noe (The Hidden Splendor) (Spanish Edition) Osho

Ante una situación de crisis generalizada, Osho nos propone construir un «arca de Noé de la conciencia» para liberarnos de aquellos valores caducos que no nos dejan avanzar. Parece que día tras día la Humanidad se acerque cada vez más a lo que se ha denominado «la gran extinción»: el cambio climático se está acelerando a un ritmo alarmante; la globalización, por otro lado, no ha cumplido sus promesas de acercar a la gente y crear una sociedad más abierta, inteligente e inclusiva, todo lo contrario; y las instituciones públicas, que deberían velar por un mundo más justo, no hacen más que agravar esta situación de crisis. La presente edición está formada por una serie de charlas en las que Osho propone la creación de una suerte de «arca de Noé de la conciencia», que nos permitirá superar todos aquellos valores antiguos y caducos que nos han llevado a esta situación, y ser más conscientes de la realidad tal y como es. Osho también nos enseña que el único momento que podemos vivir es el ahora, solo así hallaremos la fuerza necesaria para superar estos tiempos tan difíciles. **ENGLISH DESCRIPTION** This book is a pilgrimage in search of that indefinable something that all of us, at some time or other in our lives, feel is missing-what Osho describes as our "hidden splendor." "You go on missing something-something that you had known but you have forgotten-a faded memory, a lost remembrance. And the gap is not only a gap, it is a wound. It hurts, because you had brought something with your birth into the world and you have lost it somewhere. And it seems impossible to find in this crowded universe. But unless it happens, your life has been in vain, a misery, a suffering, a futile longing, a meaningless desire, a thirst that you know can not be quenched."
