As he fights for his freedom, for his life, and for the love of his master's daughter, Venture Delving will draw you into a world filled with impossible odds, incredible friendships and hardships. A world of honor and treachery, and of true love that just won't die.

In Venture Unleashed, Venture Delving leaves his home in Twin Rivers to train at the renowned Champions Center, in pursuit of his dream to escape his bonded class by becoming a champion fighter. There, Venture meets two men who hold the title he longs to claim himself one day—Champion of All Richland. But a violent encounter with one of them nearly ends his life and destroys his dreams.

Thrust into the center of growing political turmoil and confronted with choices he never imagined he'd have to make, Venture must find a way to keep his hope and his love for Jade, his master's daughter, alive. Thanks to the privileged Crested warrior class who'd rather see him die than live his dream, the worst nightmares of Venture's past and his future are about to follow him onto the mat as he fights the match of his life.

Venture Book Two. Age 13 and up.

About the Venture Books:

Venture Delving is a bonded servant, a member of the lowest class in the world. Already fatherless, when he loses his mother, he veers from energetic to out of control. But when Venture's rage saves the life of Jade, his best friend and his master's daughter, Venture finds himself in the last place he ever expected—a center renowned for training young boys to be professional fighters.

When Venture realizes he's fallen in love with Jade, he knows that the only way he'll ever have her, the only way he'll ever be free to live the life he's meant to live, is to defy convention, common sense, the trust of those he cares about most—and sometimes the law—and become the best fighter in the world, the Champion of All Richland. Venture must battle not only rival fighters, but the ghosts of his past and the members of a privileged warrior class who stand between him and his dream.
