Capital Ring: Recreational Path Guide Colin Saunders

The Capital Ring is a 75-mile (120 km) walking route encircling inner London that links the astonishing number of islands of green space - parks, woodlands, abandoned railway lines, towpaths and nature reserves - which still survive in the very heart of the city. The Ring takes in many of London's leading attractions - for example, the Thames Barrier, Eltham Palace and Richmond Park - as well as overlooked gems such as Oxleas Meadows, the Parkland Walk and Abbey Mills Pumping Station, and gives a close-up view of the ever-changing Olympic Park. This guide divides the route into 15 sections, each starting and finishing at a public transport point, and is packed with a vast amount of information.
