Gustavo Gutierrez: Spiritual Writings (Modern Spiritual Masters) Gustavo Gutierrez

Through the publication of his classic work, *A Theology of Liberation*, Gustavo Gutiérrez, a Dominican priest from Lima, Peru, permanently altered the modern theological landscape, challenging all theologians and the world church to hear the gospel message from the underside of history, the perspective of the poor and oppressed. These selections from his prolific writings, including *On Job, We Drink from Our Own Wells*, and *The God of Life*, highlight the deeply spiritual dimension of his work: the encounter with God, the response to suffering, the spirit of contemplation, and the meaning of discipleship.
