Lying in Wait

Robert N. Chan

Lying in Wait Robert N. Chan

Sadistic genius has to find an outlet, and is there any better than manipulating and torturing a beautiful, smart, witty, woman who's been horribly damaged by childhood abuse? Penn Stone creates tabloid-worthy stories by luring former lovers to grisly deaths. Stories are the hallmark of civilization. So when he manipulates and kills, he does it for the sake of civilization. Besides, it's fun. Beautiful, witty, and damaged, by the unspeakable things done to her when she was abducted at age eleven, Lucinda McConnell seems the perfect victim. To break her will, Penn expertly plays out a twisted scenario, but no longer the defenseless victim, she has other ideas.

From reader reviews:

Chris Barrentine:

Nowadays reading books be a little more than want or need but also be a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The data you get based on what kind of book you read, if you want get more knowledge just go with schooling books but if you want really feel happy read one using theme for entertaining including comic or novel. Typically the Lying in Wait is kind of guide which is giving the reader unforeseen experience.

Elliott Townsend:

Information is provisions for individuals to get better life, information currently can get by anyone with everywhere. The information can be a expertise or any news even a problem. What people must be consider when those information which is within the former life are hard to be find than now could be taking seriously which one works to believe or which one the particular resource are convinced. If you have the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Lying in Wait as your daily resource information.

Pat Tran:

People live in this new morning of lifestyle always attempt to and must have the time or they will get lots of stress from both everyday life and work. So , when we ask do people have spare time, we will say absolutely without a doubt. People is human not a robot. Then we inquire again, what kind of activity are there when the spare time coming to you of course your answer will unlimited right. Then do you ever try this one, reading guides. It can be your alternative in spending your spare time, typically the book you have read is definitely Lying in Wait.

Melinda Brown:

Reading can called head hangout, why? Because if you find yourself reading a book especially book entitled Lying in Wait your head will drift away trough every dimension, wandering in most aspect that maybe unfamiliar for but surely will end up your mind friends. Imaging every single word written in a e-book then become one web form conclusion and explanation that will maybe you never get ahead of.
