## 8 Funny Detective Stories with Maynard Soloman, Gal-Damn Detective Benjamin Sobieck

Since launching with the first short story, Maynard Soloman Solves the War on Drugs, Maynard Soloman, gal-damn detective, has become somewhat of a cult hero. Or a folk hero. Or maybe just confused.

Using his vocabulary of insults from bygone days and a decaying RV, the old-timey Maynard Soloman made good on his promise to fix the problems of the modern world one case at a time. Or at least cuss at them until they went away.

8 Funny Detective Stories represents his first eight cases of mystery, malarkey and misadventure. Each combines the slapstick fun of The Pink Panther with the sharp wit of The Onion, if both lived in an RV watching nothing but old Westerns. Fans of Carl Hiaasen's crime fiction humor, Elmore Leonard's bumbling bad guys or snappy current events satire will enjoy these quick reads.

Despite being older than dirt, the Ol' Badger is just getting started - so long as the piss and vinegar don't run out. Here are the short stories and bonus features you'll find in this keen collection.
