Afrikan Genesis: Amazing Stories of Man's Beginnings Ishakamusa Barashango

Afrikan Genesis: Amazing Stories of Man's Beginnings presents some of the many remarkable ways our ancestors answered the eternal question, "Where did the world and human beings come from", and recounts these historical narratives in terms of today's Black Experience. Afrikan Genesis takes you on a wonderful journey to distant lands and places in days of yore when Black People were building magnificent kingdoms and civilizations all around the globe. Among the many marvels of those golden ages were the creative learning systems and High Culture symbolic languages developed by ancient Afrikan scientists. Through the reading of this book, you can learn how to properly interpret the language of their mystic symbols and how to apply its powerful principles to improve the quality of your personal and professional life.
