**His Secret (Femdom Erotic Romance) Pompeii Smythe**

**HIS SECRET is part one of the spicy, female led romance series, HIS SECRET.**

Ryan has a secret. For as long as he can remember, he's wanted a pair of pretty pink panties to call his own. To look at and to touch, and to rub against his skin. Maybe, if he brave enough, he'll even try them on. Maybe.

When he finally works up to courage to visit the lingerie store, he runs into his gorgeous new neighbor, Janelle. While it's humiliating to be caught with panties in his hand, he's pretty sure a quick lie will keep her from guessing who he's really buying them for.

But, Janelle is more observant than he could have imagined. She knows what the dirty boy next door is doing. And she's going to make sure it gets done right.

Look inside for a glimpse of the naughtiness that await you...

**\*This story was originally released June, 2014. It has been reedited and significantly expanded.\***
