Key Witch Robert Tacoma

Could three sisters be any more misunderstood? Some people in town think the young women running the old hotel are witches just because they cackle a little on poker night. Okay, so sometimes they cackle a lot. And sure they may have to use a little hypnotism when their livelihood is threatened, but that doesn't necessarily mean they're sorceresses. It's not that they wouldn't like to turn someone into a newt occasionally. When they were younger there always seemed to be someone looking to take advantage of three girls with an ailing mother trying to run a crumbling old hotel. But with the help of their special teachers they've grown into young women who can take care of themselves. Their mother's dying wish takes them on a quest to another hotel, this one across the country in Key West. But when an old adversary threatens their home and friends, it may be more than they can handle by themselves. They may have to find a real witch.
