Message for This Entire Human Race: Guaranteed Destiny for Civilization as History Which Has Already Occurred Timesoftrouble

God is my life and priority above everything. Yet through nearly six decades I have never been a church member or spiritually involved in any organized beliefs of humanity. I watch world events with the prophecies and see all things as news written thousands of years ago coming to pass, because God is love and we should love each other as Christ loved us, but we don't. Even though I have many sins, just as Paul in Romans 7:14-24, God is always with me; therefore my Bible resembles a worn-out road map all marked up and falling apart while always seeking God as silver and hidden treasure. Fifty-one years were spent on America's very rocky roads facing the raging storms in life while these past six have been in the Philippines preparing for my calling. "If ye were of the world, the world would love his own: but because ye are not of the world, but I have chosen you out of the world, therefore the world hateth you." - John 15:19 My purpose in life is helping the entire world's civilization become mentally prepared for the worst timesoftrouble that have ever come upon the human race; and this book is the beginning of God's Message for This Entire Human Race. In December 2006, Timesoftrouble purchased a one-way ticket from Chicago O'Hare to Manila, Philippines with little money, no savings and no income, and it was all directed through an unknown spiritual guide to become a trained messenger for God.
