I could not believe my white husband Chad wanted me to sleep with our black neighbor Raheem for money. I knew times were tough, but I never thought Chad would sink to this level. But, when confronted with my first big black body, I started to enjoy myself--all while my humiliated husband watched, ready to clean the mess up after Raheem was through with me!

This hot and erotic story tells of April's first black experience in a unique way, namely from the perspective of all the parties involved: her own, that of her cuckolded husband Chad, and that of her dominant black neighbor Raheem.
