The Twelve William Gladstone

The Twelve is an extraordinary and unforgettable novel about a most unusual man. As a child, Max lives in a world of colors and numbers, not speaking until the age of six. As an adult, Max ventures on a journey of destiny to discover the secret behind the ancient Mayan prophecy about the “end of time,” foretold to occur on December 21, 2012.

When he is fifteen years old, Max has a near death experience during which he has a vision that reveals to him the names of twelve unique individuals. While Max cannot discern the significance of these twelve names, he is unable to shake the sense that they have deep meaning. Eight years pass before Max meets the first of the twelve.

With this, Max’s voyage of discovery begins, as he strives to uncover the identities and implications of “the twelve”—individuals he will meet during his journey towards truth, all of whom seem connected, and all of whom may hold the answer to what will happen at the exact moment the world may end. The novel takes the reader on a series of global adventures, culminating in a revelation of why and how Max and the twelve are destined to unite to discover the magnitude of the meaning of December 21, 2012. Only the twelve can provide the answers, as the fate of all humanity rests in the balance.

From reader reviews:

Rose Cotner:

This The Twelve book is not ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is information inside this publication incredible fresh, you will get details which is getting deeper an individual read a lot of information you will get. This The Twelve without we comprehend teach the one who examining it become critical in considering and analyzing. Don't be worry The Twelve can bring when you are and not make your bag space or bookshelves' grow to be full because you can have it inside your lovely laptop even phone. This The Twelve having very good arrangement in word and also layout, so you will not really feel uninterested in reading.

Marissa Wegener:

Reading a guide can be one of a lot of activity that everyone in the world adores. Do you like reading book thus. There are a lot of reasons why people love it. First reading a e-book will give you a lot of new info. When you read a book you will get new information since book is one of several ways to share the information or perhaps their idea. Second, reading through a book will make an individual more imaginative. When you studying a book especially fictional book the author will bring you to definitely imagine the story how the characters do it anything. Third, you may share your knowledge to other folks. When you read this The Twelve, it is possible to tells your family, friends in addition to soon about yours publication. Your knowledge can inspire the others, make them reading a publication.

Gregory Rivera:

People live in this new day of lifestyle always aim to and must have the extra time or they will get wide range of stress from both day to day life and work. So , when we ask do people have time, we will say absolutely indeed. People is human not a robot. Then we question again, what kind of activity have you got when the spare time coming to a person of course your answer can unlimited right. Then ever try this one, reading ebooks. It can be your alternative in spending your spare time, often the book you have read is The Twelve.

Penny Risley:

Playing with family in a park, coming to see the water world or hanging out with good friends is thing that usually you might have done when you have spare time, subsequently why you don't try thing that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love The Twelve, you could enjoy both. It is excellent combination right, you still want to miss it? What kind of hang-out type is it? Oh can occur its mind hangout men. What? Still don't obtain it, oh come on its referred to as reading friends.
