Virtual Snow Viola Grace

Sno has been waiting for her chance to become a monitor, but it appears she is of more value as a medic. When a medical emergency renders a monitor unfit, Sno steps in and rigs herself up to plunge into his mind.

Once inside his mind, she meets the man who has caught her imagination and her heart without even speaking a word.

Kyron was not expecting the woman who crashed into his blizzard but warming her takes priority and his heart is not the only thing heating up when he takes her into his arms.
