Book II of Arts Reborn

Fire returned in a blaze of war and destruction.
What will Water bring to the one who finds her?

A slave dreams of freedom for all.
An aristocratic soldier yearns for power.
A sculptress covets revenge.
But the painter she loves urges her to use her Talent for peace.

When those aims collide, new friends join in the desperate race through foreign lands and ancient ruins to uncover knowledge of the mysterious Damoz. What do they want? Can they be stopped?

Blood of the Water (Arts Reborn: Book II) continues the journey of Simon, Elysia and Persei that began in *Brush With Darkness*.

The **ARTS REBORN** series follows the return of opposing forces of artistic creation and elemental destruction to the Republic of Pazh, a world where echoes of ancient Greece and Rome mix with the fantastical.

This book has been extensively edited and proofread.
