GOD DID NOT MAKE NIGGERS Peter Gracey

One of the longest poems ever written about blacks beaten and taken from Africa by the Europeans and brought to the west to be slaves for the white race. Black were given the name Niggers (Originated from the word Neckra - Greek word meaning - a dead, inanimate object), forced to work without compassion for misery or suffering. The slaves were whipped, raped, and often killed for any reasons the white men saw fit. Their original names were taken away and replaced with European names. The slaves were forced to mate and when the females gave birth, the parents were killed. The females stomachs were cut open and the babies removed. This deprived the newborns of native mother tongue and lineage. If God did not create niggers - Who did?
