Rousseau and Desire

Rousseau and Desire

The nature and meaning of desire in Jean-Jacques Rousseau's work have thus far received little attention in Rousseau scholarship. *Rousseau and Desire* is the first examination of the eighteenth-century philosopher's conceptualization of desire in relation to his understanding of modernity.

The essays in this interdisciplinary collection combine close textual analyses with historical and intellectual inquiry to present a complex, yet concise portrayal of desire in Rousseau's political thought. Broad in scope, *Rousseau and Desire* opens new fields of inquiry by exploring Rousseau's formulation of desire as it relates to a range of subjects, including feminist phenomenology, political theory, natural reproduction, and early modern economic thought. As a whole, this important volume of essays ultimately affirms that the place of desire in Rousseau's work is integral to our understanding of this seminal thinker and, by extension, the notion of the self in modernity.

From reader reviews:

Ellen Wirth:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to understand everything in the world. Each guide has different aim as well as goal; it means that guide has different type. Some people really feel enjoy to spend their the perfect time to read a book. They are reading whatever they have because their hobby is usually reading a book. How about the person who don't like reading through a book? Sometime, person feel need book once they found difficult problem as well as exercise. Well, probably you will require this Rousseau and Desire.

Ashley McKay:

What do you in relation to book? It is not important to you? Or just adding material when you really need something to explain what yours problem? How about your time? Or are you busy individual? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Everyone has many questions above. They should answer that question mainly because just their can do that. It said that about reserve. Book is familiar in each person. Yes, it is proper. Because start from on guardería until university need this specific Rousseau and Desire to read.

Mary McKay:

Many people spending their moment by playing outside with friends, fun activity with family or just watching TV all day long. You can have new activity to spend your whole day by reading through a book. Ugh, do you consider reading a book can definitely hard because you have to bring the book everywhere? It ok you can have the e-book, taking everywhere you want in your Smartphone. Like Rousseau and Desire which is having the e-book version. So , why not try out this book? Let's notice.

Pedro Turk:

Is it you actually who having spare time in that case spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This Rousseau and Desire can be the reply, oh how comes? It's a book you know. You are consequently out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these publications have than the others?
