# Seven Days in Rio

*Francis Levy*

**Seven Days in Rio** Francis Levy

"The funniest American novel since Sam Lipsyte's *The Ask*."

-*Village Voice*

"A ribald chronicle of [a] 60-something Manhattan accountant, who's come to Rio de Janeiro as a sex tourist. [A] fever dream of a novel."

-*New York Times Book Review*

"Levy delivers a visceral blend of hilarious satire and study in human sexuality, taking us on a deviant tour of Rio."

-*Interview Magazine*

*I have come to regard almost everything that happens in human life as a form of therapy.*

So muses Kenny Cantor, always dapper in his seersucker suit from the Brooks Brothers 346 collection. Kenny is a CPA, amateur psychoanalyst, and sex-tourist vacationing in Rio when he gets waylaid at a psychoanalytic conference.

What ensues is a provocative journey that merges sex and psychoanalysis through Rio's tawdry netherworld of Susan Sontag-quoting denizens as only an incendiary voice like Francis Levy could imagine.

**Francis Levy** is the author of *Erotomania: A Romance*, a Queerty.com Top 10 Book of 2008 and an *Inland Empire Weekly* Standout Book of 2008. His short stories, criticism, humor, and poetry have appeared in *The New York Times*, *The Washington Post*, *The New Republic*, *The Village Voice*, and many others.
