Getting to happily ever after has never been so sexy or so much fun. Passions run high in this retelling of the classic fairy tale The Princess & the Pea.

In this grown-up version of the famous fairy tale, Arabian princess Adara is running from her old life and a forced betrothal. Adara, an exotic beauty, wants love and passion, but knows she can't get that back home. When a raging storm halts her escape, Adara seeks refuge in the first dwelling she sees.

Prince Richard is tired of the trite, vain, frigid princesses his mother introduces him to in hopes he'll marry. On this stormy night, the blue-eyed prince is in the mood to love a woman, but he's all alone.

Adara arrives on the castle doorstep, saying she's a princess in need of help. The queen is doubtful and decides to lock Adara in a room with a pea to determine if the girl is as royal as she claims. Richard believes the beautiful, charming stranger, but he wants her locked in a bedroom for other reasons.

When Richard and Adara hook up, there's more than a pea-sized bit of passion involved....

(This is an adult fairy tale; steamy romance included.)
