## **The Undefended Leader** Simon P. Walker

This one-volume edition of Simon Walker's trilogy of books on 'undefended' leadership addresses leaders in all walks of life: from the home or pre-school to the corporate, academic, political or church offices. It combines the contents from his books: *Leading out of Who You Are*; *Leading with Nothing to Lose*; *Leading with Everything to Give*. In the first book he examines the formation of the leadership ego and shows how maintaining a front and back stage derails leaders. In the second book Simon looks at how power is used in leadership, based on eight case studies from history, and draws powerful guidelines for leaders today. In the final book he focuses on the leader's vision and examines what has caused the current failure of leadership in the West. He points out the direction in which we need to move if life is to flourish in the coming decades.
