Carol Ton:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's internal or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want.
