## **Chasing Omega** Michael Prescott

From New York Times and USA Today bestseller Michael Prescott, author of FINAL SINS and COLD AROUND THE HEART, comes something a little different – CHASING OMEGA, a paranormal novella. "Do you believe in life after death?" It's a question Daniel Brand finds himself answering after he picks up a mysterious woman on the side of an Arizona highway long after midnight. The issue isn't merely philosophical. His passenger, Claire Holland, is a psychic medium on the run from a secret conspiracy holding the key to the truth about life, death ... and what comes after. More than a thriller, CHASING OMEGA combines empirical research, cosmological speculation, and spiritual exploration in a fast-paced, twist-and-turn story of pursuit and betrayal that will challenge your assumptions - and take you into the light.

### From reader reviews:

#### Monica Ceja:

Have you spare time for just a day? What do you do when you have more or little spare time? Yeah, you can choose the suitable activity intended for spend your time. Any person spent their own spare time to take a wander, shopping, or went to the Mall. How about open or perhaps read a book called Chasing Omega? Maybe it is for being best activity for you. You know beside you can spend your time using your favorite's book, you can wiser than before. Do you agree with its opinion or you have other opinion?

#### Merry Springs:

The book Chasing Omega can give more knowledge and information about everything you want. So why must we leave the great thing like a book Chasing Omega? A few of you have a different opinion about book. But one aim in which book can give many details for us. It is absolutely right. Right now, try to closer with the book. Knowledge or details that you take for that, you may give for each other; it is possible to share all of these. Book Chasing Omega has simple shape but you know: it has great and massive function for you. You can search the enormous world by start and read a e-book. So it is very wonderful.

#### Raymond Lee:

Chasing Omega can be one of your starter books that are good idea. All of us recommend that straight away because this publication has good vocabulary that could increase your knowledge in vocab, easy to understand, bit entertaining but still delivering the information. The copy writer giving his/her effort to set every word into delight arrangement in writing Chasing Omega but doesn't forget the main point, giving the reader the hottest in addition to based confirm resource data that maybe you can be considered one of it. This great information can drawn you into fresh stage of crucial imagining.

#### Maria Clyburn:

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Chasing Omega can make you truly feel more interested to read.
