Jessy crashes onto two cowboys' yard on Christmas Eve and the only proper way to thank them is to let them taste and take her at the same time.

Christmas Eve comes with unprecedented snowfall, causing Jessy to lose control over her car. Thankfully, she crashes into the arms of two **muscled cowboys**, who are more than glad to **share** her on Christmas. The **busty hucow** asks the cowboys to help her handle her **milky jugs** and the men gladly comply.

The cowboys want to give her a thorough **milking**, while **discovering each other for the first time**. The outcome is hotter and **creamier** than they could have imagined!

This **5,300+ word short story** focuses on a hucow giving herself up to two cowboys at the same time. This story includes cowboys, human cows, rough sex, bisexual **MMF** menage action and an ample amount of **dairy**.
