After his capture by pirates, Andrew Collins is taken to Chile, where the weather is warm and the women are hot. The captain, affronted by Andrew's virgin status, seems determined to rid him of it.

But Andrew's disinterest in the locals is equal to the Captain's determination, and for once getting what he wants is not going to be as easy a matter as usual for a pirate.

Longitudes and Latitudes is a yaoi-style comic written and illustrated by Tprinces and True Teargem. This volume is 48 pages long, contains some explicit content and includes scenes of dubious consent.
