Loves Rejection, Loves Redemption DeSire

Shai Renee Powers was a typical 18 year old girl being raised by her grandmother after her parents tragic death. Her young world is filled with love for a man she wants like no other, Devin Fabienne. Devin Fabienne is a young man looking to have summer fun with his boys during his last summer home before leaving for college. He wants his freedom from a girlfriend that is willing to sacrifice all for him, that is until he breaks her fragile young heart. As time marches on both realize the futility of "head over heels" love when the heart is too young to handle it, but only time will tell if it can handle the consequences associated with secrets and deadly deception.

Love's Rejection/Love's Redemption is a story of two lovers who were too young for the love they possessed but through time, grew into the love they needed.
