## **Philosophy of Religion: Towards a More Humane Approach (Cambridge Studies in Religion, Philosophy, and Society) John Cottingham**

Religious belief is not just about abstract intellectual argument; it also impinges on all aspects of human life. John Cottingham's *Philosophy of Religion* opens up fresh perspectives on the philosophy of religion, arguing that the detached neutrality of much of contemporary philosophizing may be counterproductive - hardening us against the receptivity required for certain kinds of important evidence to become salient. This book covers all the traditional areas of the subject, including the meaning of religious claims, the existence of God and the relation between religion and morality, as well as the role of spiritual praxis and how religious belief affects questions about the meaning of life, human suffering and mortality. While preserving the clarity and rigor that are rightly prized in the analytic tradition, the book also draws on insights from literary and other sources, and aims to engage a wide readership.

#### **Stacie Schneider:**

As a student exactly feel bored to be able to read. If their teacher expected them to go to the library as well as to make a summary for some publication, they are complained. Just little students that have reading's soul or real their passion. They just do what the teacher wants, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you. As we know

that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Philosophy of Religion: Towards a More Humane Approach (Cambridge Studies in Religion, Philosophy, and Society) can make you sense more interested to read.
