Prairie Fire (Fiction - Young Adult) E. K. Johnston

Every dragon slayer owes the Oil Watch a period of service, and young Owen was no exception. What made him different was that he did not enlist alone. His two closest friends stood with him shoulder to shoulder. Steeled by success and hope, the three were confident in their plan. But the arc of history is long and hardened by dragon fire. Try as they might, Owen and his friends could not twist it to their will. Not all the way. Not all together. The sequel to the critically acclaimed *The Story of Owen*.
