Hattie Kong, a retired teacher and a descendant of Confucius, has decided that it's time to start over. She moves to the peaceful New England town of Riverlake, a place that once represented the rock-solid base of American life. Instead of quietude, Hattie discovers a town challenged by cell-phone towers, chain stores, and struggling farms. Soon Hattie is joined by an immigrant Cambodian family on the run, and—quite unexpectedly—Carter Hatch, a love from her past. As each character seeks to make a new start on life, *World and Town* asks deep, absorbing questions about religion, love, home, and meaning.
