A steady stream of meaningless sex is all Tristan has left when he discovers the grandmother who raised him is dying and his best friend is getting married. He is lost; and the dark secrets in his past keep coming back to remind him of this.

Until Tristan has an idea that will change his life and fulfill his dying grandmother's wishes: Abandon his playboy ways and settle down.

And who better to do it with than Senia, the girl who has occupied his thoughts since their scorching hot tryst in the back of his sports car. The girl who makes him laugh and feel like a kid again.

But when his world begins to crumble around him, the pain Tristan is hiding finds its way to the surface. Will Tristan finally learn to trust again? Or will he abandon Senia when she needs him the most?
