La Chair Interdite Diane Ducret

« Chair interdite depuis la naissance de la civilisation, le sexe des femmes nourrit les peurs des hommes, leur fournit plaisir et naissance, attise le désir autant que la haine. Tantôt exilé, maudit, conspué ou consacré, mutilé autant qu'embrassé, il aura toujours quelque chose à se reprocher. Il a dicté ses lois et ses désirs à l'histoire de l'humanité. Quand bien même certains hommes, certaines politiques ou religions tentaient de lui prescrire leurs volontés, leurs fantasmes, leurs interdits. » Des sulfureuses déesses antiques à la découverte du point G sous la menace des nazis, des malheurs de Voltaire face aux ceintures de chasteté à la création de Playboy en passant par les tondues singulières de la Libération, Diane Ducret, l'auteur de Femmes de dictateur, raconte le sexe féminin. Un livre cru, troublant, passionnant : l'énigme d'une source de séduction et d'effroi enfin dévoilée.
