Sarah's Orphans (Plain and Simple Miracles) Vannetta Chapman

These orphans may be on their own...but God hasn't abandoned them.

Sarah Yoder belongs to a Plain community in Oklahoma, but her days are far from simple. Her father suffers from bipolar disorder—until a tragic accident ends his life and the abuse he inflicted. Instead of stepping up to provide a better future, Sarah's mother packs her bags and leaves her six children behind.

Alone with her younger siblings, Sarah is exhausted but finally at peace. Then she nearly runs over a small Hispanic boy with her buggy...and somehow finds herself sheltering two more orphans.

Paul Byler moved to Cody's Creek to help his brother in a time of need. But now that Joseph has recovered from his heart attack, Paul's ready for a quiet place of his own. The only problem? His new property lands him next door to the orphaned Yoder family—and a calling from God he can't seem to ignore.

A story of extraordinary grace and love in the face of desperate need, *Sarah's Orphans* is the third standalone novel in the Plain and Simple Miracles collection by Vannetta Chapman.
