*101 School Success Tools for Students with ADHD* provides materials and the guidance necessary to assist teachers and parents as they empower students with ADHD to become successful learners. Based on field-tested strategies for use with learners with ADHD, the book provides a brief overview of the specific learning needs of these students before including a wide variety of tools teachers can immediately pull out and use in the classroom and parents can use in the home setting.

Each tool is explained in a brief how-to section that includes specific information on adapting the tool based on the individual student's needs. The book covers topics like observing and collecting data on students, creating schedules, assessing a child's strengths, refocusing a child's attention, managing difficult behaviors, implementing calming techniques, providing motivation, and improving study and homework skills. A collection of worksheets, forms, checklists, charts, Web site listings, and other tools are included as reproducible pages.
