Democrat Jesus runs for president to stop war between Muslims and Christians!

Yes, that's right, Timothy Cooper's new novel, *2020 or My Name is Jesus Christ and I'm Running for President* is a celestial comedy about the return of Christ to Earth. It paints a hilariously envisioned America caught up in the highest form of adult entertainment - US presidential politics! But this time 'round, the two candidates heading their party tickets are not your usual party suspects, but rather the hugely popular Jesus and his equally magnanimous stepbrother Beelzebub! And you thought American politics was divisive before! You ain't seen nothin' yet!

So the race is on! Across Iowa, New Hampshire, and the rest of America. Then onto the Democratic and Republican Conventions, which are guaranteed to be unlike any political conventions you've ever experienced...

Who will win? Well, God only knows.

So hear the prophecy the Bible wouldn't ever dare tell you about, and the only novel ever endorsed by Jesus Christ himself! (Okay, just kidding!)

Listen now, and join the ranks of his new-age disciples!
