Ninety-Six Students...

One Project...

No Limits.

From learning how to use a comma to writing about social justice, ninety-six students from Connecticut have come together to create an inventive, original piece of poetry that will touch your heart. These imaginative students have broken the boundaries of poetry writing and have created a masterpiece that touches on siblings, middle school daily life, friendships, social injustices, and much, much more. They have proven that there are a million stars but only one Sun.
