- \* **Worked Solutions to All Questions**

Through regular practice and review, the **Primary Mathematics (Common Core Edition) Challenging Word Problems** series serves to build a solid foundation in elementary mathematics and boost students' creative and critical problem-solving skills.

**Challenging Word Problems**, distributed by Singaporemath.com, is a wallet-friendly math series that equips elementary math students, teachers, and parents with the mathematical problem-solving skills needed to solve brain-unfriendly math questions, which are often used to separate the nerd from the herd, or which appear in school exams and math contests.
