Georgia's Kitchen Jenny Nelson

At thirty-three, talented chef Georgia Gray has everything a woman could want—the top job at one of Manhattan’s best restaurants; a posse of smart and savvy gal pals who never let her down; and a platinum-set, cushion-cut diamond engagement ring courtesy of Glenn, the handsome entertainment lawyer who Georgia’s overbearing mother can’t *wait* for her to marry. The table is set for the ambitious bride-to-be until a scathing restaurant review destroys her reputation. To add salt to her wounds, Glenn suddenly calls off the wedding.

Brokenhearted, Georgia escapes to the Italian countryside, where she sharpens her skills at a trattoria run by a world-class chef who seems to have it all—a devoted lover, a magnificent villa, and most important, a kitchen of her own. Georgia quells her longings with Italy’s delectable offerings: fine wine, luscious cheeses, cerulean blue skies, and irresistible Gianni—an expert in the vineyard *and* the bedroom. So when Gianni tempts Georgia to stay in Italy with an offer no sane top chef could refuse, why can’t she say yes?

An appetite for something more looms large in Georgia’s heart – the desire to run her own restaurant in the city she loves. But having left New York with her career in flames, she’ll need to stir up more than just courage if she’s to realize her dreams and find her way home.

Margo Soares:

As we know that book is significant thing to add our information for everything. By a book we can know everything we wish. A book is a range of written, printed, illustrated or even blank sheet. Every year ended up being exactly added. This reserve Georgia's Kitchen was filled concerning science. Spend your time to add your knowledge about your technology competence. Some people has diverse feel when they reading a book. If you know how big selling point of a book, you can experience enjoy to read a reserve. In the modern era like today, many ways to get book that you just wanted.

Kent Moore:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just very little students that has reading's internal or real their pastime. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Georgia's Kitchen can make you experience more interested to read.
