Howard Cosell: The Man, the Myth, and the Transformation of American Sports

Mark Ribowsky

Howard Cosell: The Man, the Myth, and the Transformation of American Sports Mark Ribowsky

“Brilliant . . . entertaining . . . a thought-provoking portrayal of the multi-faceted Howard Cosell in all his glory and enmity.”?Don Ohlmeyer, *Wall Street Journal*

Howard Cosell’s colorful bombast, fearless reporting, and courageous stance on civil rights made him one of the most recognizable and controversial figures in American sports history. “Telling it like it is,” he covered nearly every major sports story for three decades, from the travails of Muhammad Ali to the tragedy at the Munich Olympics. Now, two decades after his death, this deeply misunderstood sports legend has finally gotten the “definitive” (*Kirkus Reviews*, starred review) and revelatory biography he so much deserves. With more than forty interviews, Mark Ribowsky has brilliantly presented Cosell’s endless complexities in the “first thoroughly researched and effectively framed biography of Cosell and his times” (*Huffington Post*). 35 illustrations
