Secret Language

Neil Williamson

Secret Language Neil Williamson

Secret Language is Neil Williamson's first collection in ten years, but it has been worth the wait. A regular contributor to magazines such as Interzone and Black Static, Williamson's short fiction has gained plaudits from critics and readers alike. In 2014, his debut novel *The Moon King* appeared to great acclaim. It was runner up for the BSFA Award for best novel and shortlisted for the Holdstock Award. Secret Language gathers together sixteen stories, four of them written especially for this volume, that demonstrate why Neil Williamson is one of genre fiction's finest writers. The BSFA shortlisted story "Arrhythmia" provides just one of the highlights in this exceptional collection. "Williamson's territories are the liminal experience and the murky corners of the psyche. He is a virtuoso of the fleeting glimpse, a laureate of loss." - Interzone "Williamson nails style and structure to tell of high school hackers heisting music on the streets to create their own mixes." - Speculation (of 'Pearl in the Shell') "A talented writer who transcends genre, and should be bought, read and cherished." - Shaun Green, *Yet Another Book Review* "Williamson is one of the best Scottish short story writers alive today." - Jim Steel

From reader reviews:

Brad Black:

In this 21st centuries, people become competitive in each way. By being competitive currently, people have do something to make these people survives, being in the middle of typically the crowded place and notice by simply surrounding. One thing that sometimes many people have underestimated that for a while is reading. Yeah, by reading a reserve your ability to survive improve then having chance to stand up than other is high. For yourself who want to start reading a book, we give you this specific Secret Language book as starter and daily reading book. Why, because this book is usually more than just a book.

Michael Stein:

The actual book Secret Language will bring you to definitely the new experience of reading the book. The author style to clarify the idea is very unique. Should you try to find new book you just read, this book very appropriate to you. The book Secret Language is much recommended to you to study. You can also get the e-book from your official web site, so you can quicker to read the book.

Robert Bartlett:

Your reading 6th sense will not betray you, why because this Secret Language book written by well-known writer who knows well how to make book that could be understand by anyone who also read the book. Written in good manner for you, dripping every ideas and writing skill only for eliminate your own personal hunger then you still uncertainty Secret Language as good book not only by the cover but also with the content. This is one book that can break don't judge book by its handle, so do you still needing one more sixth sense to pick this!? Oh come on your reading sixth sense already said so why you have to listening to one more sixth sense.

Kaci Carter:

This Secret Language is great guide for you because the content and that is full of information for you who always deal with world and still have to make decision every minute. This particular book reveal it information accurately using great coordinate word or we can say no rambling sentences in it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but hard core information with splendid delivering sentences. Having Secret Language in your hand like having the world in your arm, details in it is not ridiculous one particular. We can say that no publication that offer you world within ten or fifteen tiny right but this publication already do that. So , this is certainly good reading book. Hello Mr. and Mrs. active do you still doubt that will?
