Shutter Bug Richard Baran

"Shutter Bug" by Richard Baran

A twelve year old girl's family trip to Disney World turns into an adventure in Africa's Serengeti with a group of hunters capturing animals for zoos Crocodiles, an angry rhino, a giant python and a camp cook who possesses mystical powers adds to her adventure.

Emma Grace Waveland, a self-proclaimed Shutter Bug at twelve, finds herself transported from a safari in Disney World to Africa's Serengeti where she joins a group of professional hunters who capture wild animals for zoos. Her new adventure brings her face-to-face with deadly crocodiles, a giant rhino, a python, a lady photographer who looks like a young version of her great grandmother, hunters who resemble old movie stars and a camp cook with mysterious powers. Her family doesn't believe her when she returns from her trip, but she has evidence.

What's your adventure?

From reader reviews:

Ronnie Hamilton:

In other case, little individuals like to read book Shutter Bug. You can choose the best book if you want reading a book. So long as we know about how is important a book Shutter Bug. You can add expertise and of course you can around the world by a book. Absolutely right, simply because from book you can understand everything! From your country until foreign or abroad you may be known. About simple issue until wonderful thing it is possible to know that. In this era, we can open a book or even searching by internet device. It is called e-book. You should use it when you feel uninterested to go to the library. Let's learn.

John Newton:

Playing with family in a very park, coming to see the ocean world or hanging out with good friends is thing that usually you might have done when you have spare time, and then why you don't try point that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Shutter Bug, it is possible to enjoy both. It is great combination right, you still need to miss it? What kind of hangout type is it? Oh can happen its mind hangout people. What? Still don't have it, oh come on its called reading friends.

Anne Shibata:

Shutter Bug can be one of your starter books that are good idea. We all recommend that straight away because this publication has good vocabulary which could increase your knowledge in vocabulary, easy to understand, bit entertaining but still delivering the information. The author giving his/her effort to get every word into joy arrangement in writing Shutter Bug yet doesn't forget the main position, giving the reader the hottest and also based confirm resource details that maybe you can be among it. This great information can easily drawn you into brand-new stage of crucial thinking.

Craig Rushing:

A lot of guide has printed but it differs from the others. You can get it by web on social media. You can choose the most beneficial book for you, science, comic, novel, or whatever through searching from it. It is referred to as of book Shutter Bug. You can add your knowledge by it. Without making the printed book, it could possibly add your knowledge and make a person happier to read. It is most critical that, you must aware about reserve. It can bring you from one location to other place.
