If you are “Outside Khateyn Tarika”, you will never reach the top, in anything you do, no matter how happy, intelligent, influential, and rich you are.” The Sahiriin and Rouhaniyiin told us that every human being on Earth is lined up with two invisible lines that determine her/his balance and harmony with their immediate surroundings, as well as the size and strength of his/her luck in this physical world. Khateyn means: Two Lines. It is the plural of Khat, which means one line. They are invisible to the naked eye. The Rouhaniyiin nicknamed Khateyn “Tarik al Hayat”, meaning the road of life.

These two lines determine how healthy, successful and balanced you are or will be in your life. Tarika means a path, a road. It is usually linked to your present and future, with major impact on your health, love life and business. Khateyn Tarika is directly linked to your “Double”, astral body, your mind, spirits and entities who live here on Earth, and in other dimensions. All of us, big and small, lucky and unlucky, rich and poor, famous, infamous and unknown, are conditioned and influenced by Khateyn Tarika two invisible lines that exist either ahead of our body, behind it, or around it.

And the position and placement of these two lines that we cannot see –unless we were taught how to find them– have a major impact on everything we do, and think about. Scholar and mystic Ulema Maximillien de Lafayette explain the whole concept and how to use Khateyn Tarika to positively influence or change our life, health and luck.
