Freshwater Road Denise Nicholas

From award-winning actress Denise Nicholas: a ten-year anniversary reissue of her powerful and dramatic coming of age story set in Mississippi during the Freedom Summer of 1964. *Freshwater Road* has been called one of the best novels written about the Civil Rights Movement. Nicholas herself has been praised repeatedly over the years for her beautiful prose and is continually mentioned along with Alice Walker and Ernest J. Gaines as the most important novelists documenting this era.

When University of Michigan sophomore Celeste Tyree travels to Mississippi to volunteer her efforts in Freedom Summer, she's assigned to help register voters in the small town of Pineyville, a place best known for a notorious lynching that occurred only a few years earlier. As the long, hot summer unfolds, Celeste befriends several members of the community, but there are also those who are threatened by her and the change that her presence in the South represents. Finding inner strength as she helps lift the veil of oppression and learns valuable lessons about race, social change, and violence, Celeste prepares her adult students for their showdown with the county registrar. All the while, she struggles with loneliness, a worried father in Detroit, and her burgeoning feelings for Ed Jolivette, a young man also in Mississippi for the summer.

By summer's end, Celeste learns there are no easy answers to the questions that preoccupy her—about violence and nonviolence, about race, identity, and color, and about the strength of love and family bonds. In *Freshwater Road*, Denise Nicholas has created an unforgettable story that—more than ten years after first appearing in print—continues to be one of the most cherished works of Civil Rights fiction.

From reader reviews:

Arthur Haase:

Nowadays reading books are more than want or need but also get a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book that improve your knowledge and information. The data you get based on what kind of book you read, if you want send more knowledge just go with knowledge books but if you want feel happy read one together with theme for entertaining for instance comic or novel. Typically the Freshwater Road is kind of book which is giving the reader unstable experience.

Ciara Wolfe:

Spent a free a chance to be fun activity to accomplish! A lot of people spent their sparetime with their family, or their very own friends. Usually they performing activity like watching television, likely to beach, or picnic from the park. They actually doing ditto every week. Do you feel it? Do you want to something different to fill your current free time/ holiday? Could possibly be reading a book might be option to fill your cost-free time/ holiday. The first thing you ask may be what kinds of publication that you should read. If you want to try out look for book, may be the book untitled Freshwater Road can be great book to read. May be it might be best activity to you.

Robert Heck:

Don't be worry when you are afraid that this book may filled the space in your house, you will get it in e-book technique, more simple and reachable. This kind of Freshwater Road can give you a lot of pals because by you investigating this one book you have issue that they don't and make an individual more like an interesting person. This particular book can be one of a step for you to get success. This reserve offer you information that probably your friend doesn't realize, by knowing more than various other make you to be great people. So , why hesitate? Let me have Freshwater Road.

John Malcolm:

Do you like reading a publication? Confuse to looking for your favorite book? Or your book was rare? Why so many query for the book? But virtually any people feel that they enjoy with regard to reading. Some people likes studying, not only science book but novel and Freshwater Road or perhaps others sources were given information for you. After you know how the good a book, you feel wish to read more and more. Science e-book was created for teacher as well as students especially. Those publications are helping them to increase their knowledge. In other case, beside science book, any other book likes Freshwater Road to make your spare time considerably more colorful. Many types of book like this.
