From the Water's Edge: Daily Offerings for the Wayfaring Soul Dennis Ference

Wisconsin poet Dennis Ference, a retired chaplain, warmly inspires the soul with a faith-based collection of poetry.

Ference draws from the contemplative, mystical traditions of both the East and the West to mirror his own spiritual journey. Each poem is a nugget of wisdom inviting us to awaken to our relationship with the Divine. Reality is ever changing and requires us to cope with loss and suffering, while surrendering to that reality allows us to transcend the suffering. Ference, through his musings, gives us the inspiration to do so.

From the Water's Edge is a book that inspires, comforts, and challenges. Its poems invite us to experience the now and the power of faith and surrender. Ference maintains a contemplative tone allowing readers to take the time to reflect on what thoughts and feelings each poem conjures within them.

Experience 365 poems that first appeared in his blog *Merging Traffic*. Enjoy a poem a day as you take your own spiritual journey toward inner peace and authentic daily living.
