**Not every prospect joins right away.**

They have to think it over, review the material, or get another opinion. This is frustrating if we are afraid to follow up with prospects.

What can we do to make our follow-up efforts effective and rejection free? How do we maintain posture with skeptical prospects? What can we say to turn simple objections into easy decisions for our prospects?

Procrastination stops and fear evaporates when we have the correct follow-up skills. No more dreading the telephone. Prospects will return our telephone calls. And now we can look forward to easy, bonded conversations with prospects who love us.

Prospects want better lives. They are desperately searching for:

- Someone to follow
- Someone who knows where they are going
- Someone who has the skills to get there

We have the opportunity to be that guiding light for our prospects.

When we give our prospects instant confidence, contacting our prospects again becomes fun for both sides. Don't lose all those prospects who didn't join on your first contact. Help reassure them that you and your opportunity can make a difference in their lives.

Use the techniques in this book to move your prospects forward from "not now" to "right now"!
